4. Preliminary inspection and location scouting

In principle, there is no charge for previews and location scouting. However, each visit is limited to a maximum of 10 persons and a maximum of 2 hours.

If the number of visitors or time limit is exceeded, the following charges will apply. Please consult with us in advance.

Excess admissions	300 yen/person
Excess time	15,000 per hour

In addition, during previews and location scouting, as a general rule, entry and filming are not permitted in areas where other people are using the facilities. Please be aware of this beforehand.

5. Others

■ Use of Power supply

Please refer to Use of shower rooms

the attached map of the filming facility layout for the location of the distribution boards. Please check with the management office before using each board.

Location	Specification	Quantity
Middle age area	single-phase AC 3 wires 100V150V, 3-phase AC 3 wires 200V120V	3
	single-phase AC 3 wires 100V150V, 3-phase AC 3 wires 200V120V	4
Modern ages area	single-phase AC 3 wires 100V/200V120A, 3-phase AC 3 wires 200V120V	6
	single-phase AC 3 wires 100V/200V120A	4
	single-phase AC 3 wires 100V/200V60A	20

■ Use of shower rooms

There are two locations in the facility and on the second floor of the office building, and there is no charge for their use. However, they are to be shared by all users. Towels, soap, shampoo, etc. are not provided, so please bring your own when you use them.

■ Water and gas supply

For general use and scale, each fee is included in the facility rental fee. However, if a large amount of water or gas is used for staging purposes, or if it is necessary to adjust the amount of water used, a separate estimate will be provided. The same applies to the laundering of large quantities of costumes and the cleaning of items, etc.

■ Disposal of garbages

In principle, we ask that you take everything home with you. However, if you need to dispose of the materials in the facility under certain circumstances, please consult with us. If a large amount or industrial waste is involved, a separate estimate will be provided.

■ The following requests are also available. Please feel free to consult with us (separate estimate).

*Procurement of special vehicles such as high riders, cranes, etc. for filming

*General art production (art direction, set construction, costumes, procurement of props, etc.)
